

Quality Policy

Uniplast Ltd provides its long-standing clients and potential customers with plastic solutions including Injection Moulding, Printing, Assembly and Packaging in the most efficient and economical manner.

Our strategic objective is to achieve and enhance customer satisfaction by delivering consistent product and effective service throughout in a profitable manner.

We are fully committed to achieve this and continually improve our system in line with all relevant requirements including those related to ISO 9001:2015.

We do this by assessing the context and creating controls, procedures and set objectives to counteract risks and ensure that we deliver a consistent product and service.

Uniplast is fully committed to ensure that this Quality Policy is communicated, understood and applied by our people.
